POLL BOOK

OF

GENERAL ELECTION

HELD

TUESDAY, NOVEMBER 5, 1968

____ Precinct, _____ Ward,

____ City,

PENN

____ Township,

JOHNSON

____ County, Iowa.

POLLS OPEN

In cities where registration is required, the Polls are to be open at SEVEN O'CLOCK A. M., and in all other precincts at EIGHT O'CLOCK A. M. In all cases the Polling places are to be closed at EIGHT O'CLOCK P. M., and all persons entitled to vote at said election who are within said polling places at the time said polling places are closed shall be permitted to vote. (Section 49.73 - 49.74, Code.)

Section 49.74. Voters entitled to vote. All persons entitled to vote at said election who are within said polling places at the time said polling places are closed, shall be permitted to vote.

ABSENT VOTER BALLOTS

Section 53.24. Precincts using voting machines. In precincts using voting machines, none of said ballot envelopes shall be opened until immediately after the closing of the polls to voters who vote in person. If there be more than one absent voter's ballot entitled to be cast, they shall, without being unfolded, be thoroughly intermingled in some proper manner, after which they shall be unfolded and, under the personal supervision of all the judges, be registered on the voting machine the same as if the absent voter had been present and voted in person.

INSTRUCTIONS TO ELECTION OFFICERS

BEFORE THE OPENING OF THE POLLS

The Election Officers shall fill in Certificate of Election Officials and Canvass on page 20 of this Book, certifying as to the condition of the voting machine and the counters therein.

DURING THE DAY

Unless already printed in, the Election Officers shall write the titles of the offices, the names of the candidates, and the statements of the questions (if any) in the proper places in this Book, so that there will be no delay in canvassing the vote when the polls close. In filling out these blanks each name and number on the Machine and in this Book should be carefully examined, to see that they agree.

AFTER THE CLOSE OF THE POLLS

1. Vote all absent voter ballots on voting machines.

2. As soon as the absent voter ballots are voted and the machine is locked and sealed, the Clerks shall read the name and the counter number and letter of each candidate, as shown on this Statement of Canvass, and one of the Election Officers shall, under the observation of the other Election Officers, call off the vote as shown on such counter in the voting machine, and the clerks shall enter same IN FIGURES in the proper space in this Book.

NOTE:—Whenever the name of a Candidate for an office to which more than one candidate is to be elected appears more than once on the machine for that office, all the counters of such candidate are connected by "Endorsing Bars," causing them to operate together, no matter which one is voted on. This causes all such counters to show the same vote at the close of the election.

In canvassing the vote for such candidate, the register of ONLY ONE of these counters should be taken, and the amounts shown on the other counters should be entered on the Statement of Canvass as 000, as they are only duplicates.

3. The vote on each question (if any) shall be announced and entered in the same manner.

4. Each Election Officer shall then verify the figures by comparing them with the figures on the counters in the machine, to make sure that they are correct.

5. The vote on the Paper Roll (if any) shall then be canvassed and the result entered in the space provided in this Book.

6. The Certificate of Election Officials and Canvass on page 20 of this Book shall then be filled in and signed by all Election Officers.

NOTE:—If at the close of the polls, the Clerk's record and the Public Counter do not agree as to the number of voters that voted, it is sometimes because the Curtain Lever has been operated other than by a voter voting. When such is the case, the number of times it has been thus operated should be subtracted from the number shown on the Public Counter, which will give the number shown by the Clerk's Record.

Sec. 50.1 par. 1. When the poll is closed, the judges shall forthwith, and without adjournment, publicly canvass the vote and credit each candidate with the number of votes counted for him. (Hence the polling place cannot legally be closed until the canvass is completed.)
